## ABBA

*Just like the real Abba, UK Bjorn is made up of two husband and wife pairs, bringing a close on stage chemistry. Our couples have slightly broken from the mould with Bjorn being married to Frida and Benny to Agnetha, but we don't want to be accused of taking our Swedish roles too seriously!!!*

*The bands fantastic line up consists of some of the most established Abba performers in the business, with well over 20 years of wowing audiences between them, in some of the biggest and most established Abba tributes Globally. The team have used all of their performance experience to create a fantastic stage show. With the classic Abba sound and look being carefully replicated and by adding a huge handful of on stage pizzazz, UK Bjorn never fails to put on a show that keeps people coming back to the dance floor time and time again.*
