Our most popular party band format is an 8 piece set up including blistering horn section with trumpet, baritone, tenor and alto sax, a driving rhythm section and both male and female vocals. Dance floor fillers include classic soul and disco favourites from the Blues Brothers to Kool and the Gang, Stevie Wonder to Tina Turner.

To capture that big band era the Time Bandits big band is a 13 piece set up playing a range of swing and rat pack favourites from Frank Sinatra to Michael Buble, Bobby Darin to Andy Williams.

To slow the pace down powerful male and female vocals create the perfect tone with a variety of smooth mellow tracks such as the soulful Etta James classic 'At Last'.

Ideally we need a space of about 18ft by 10ft and take around 2 hours to set up, although the PA and virtual disco should be ready to go after 45 mins.

All our equipment is PAT tested within the last 12 months and we have public liability insurance.

If you're looking for a superb night's entertainment by experienced consummate professionals who make a big impact whatever your special occasion and musical tastes, don't delay, call.

We'll be happy to discuss your individual needs and specific requirements for an unforgettable event.
